REPORT ON THE FIRST ANNUAL INTER HIGH AND PRIMARY SCHOOL CHAMPIONSHIP 2017.

Queens High School was host this year to the first inter high and primary school championship, under the support from GCTTA.

It was a team event which was well received with a massive turn out for the event with 7 primary schools and 6 high schools each bringing 2 teams.

The kids played their hearts out and really produced the goods. There were many up and coming strong players identified, and with the correct guidance and training, they could be our future table tennis stars.

- 3) Kensington Ridge Primary School & Glenhazel Primary School (Joint 3rd place)
- 4) Asteri Primary School
- 5) Skeen Primary School
- 6) Summerwood Primary School

Primary School: Girls

We do envisage this event as an annual event for years to come due to the great success we had. To everybody who participated, continue to practice, and prepare for the showdown next year. We would like to rotate the event, and grow it as well, so if any other school is interested in hosting or registering for 2018 refer all enquiries to the above email.

Thanking you
